**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition! I have been using Sonic for two years. Their pricing and customer service really impressed me. Their plans are easy to understand and are not set up to hit you with data overcharges, which is what happened to me constantly with my previous plan under a big telephone company. I was in constant anxiety over my internet bill. I also know that Sonic has service in rural areas and worked hard with the community during the fires in Santa Rosa. I would like to see companies like Sonic and their customers continue to thrive.
